### Customer Reviews

#### It must be great

Rating ★★★★★

The extension Review with images and video for Magento 2 is a simple and great module. Very helpful. Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since...

#### The best choice

Rating ★★★★★

I can appreciate the concept, but I think I'll be going back to regular laced sneakers from now on, they just didn't seem to fit my feet as well I guess because my feet are so narrow. People with narrow feet shouldn't buy these!
